Patel Scientific Corp. is located in the central part of the State of New Jersey in the township of Piscataway, Middlesex County. We are located approx. 5 miles from the now closed Rheometrics building and approx. ½ mile from Rutgers University and 45 Miles south and slightly west of the New York City and about one and half hour drive by car to City of Philadelphia. The easiest way to get to our facility is take Interstate I-287. We are located about 3 miles away from the Stelton Road Exit (Exit # 5) off I-287. The Interstate I-287 can be taken either; (1) From Exit # 10 on NJ Turnpike or (2) Exit # 30 from Interstate I-78 or (3) Exit # 43 from Interstate I-80 or (4) any other convenient place. You can also take US 1.

(1) If traveling **SOUTHBOUND** direction on **Interstate I-287**, take Exit # 5 (“Stelton Road”). Make a **RIGHT** at the Exit light on to Stelton Road (Middlesex County Road 529). **Not counting the light(s) at the exit pass the next Five traffic lights. At the Sixth traffic light, you will see a Golf Course on the Right (Fairway Golf Center). At that light, make a right turn on to Ethel Road. We are about ¼ mile to ½ mile on the left side, after the baseball field. (Bldg. will say “121” and sign will say “Alwein Centre”).**

(2) If traveling **NORTHBOUND** direction on **Interstate I-287**, take Exit # 5 (Stelton Road). Make a **LEFT** turn at the traffic light at the exit ramp on to Stelton Road. (Middlesex County Road 529). Immediately on the other side of the bridge at the exit, there is another light. Cross that light also. Follow the directions in **Red color** above.

(3) If traveling on **US Route 1 North or South**, take Exit Marked “Plainfield Avenue”. (Middlesex County Road 529). After 3 lights, you will pass Edison Train station on the left. Go under the railroad bridge and name of the road will change to Stelton Road. After the bridge, pass the next two traffic lights and at the Third light make a left onto Ethel Road. We are about ¼ mile to ½ mile on the left.
